Re: Amended April Quarterly Report (1/1/08-3/31/08) received 4/17/08

This letter is in response to the commission's letter dated May 6, 2008. We have amended the April Quarterly amendment filed on 4/17/08 to include employer & occupations that had not been previously reported. Where that information was unable to be obtained, we have stated "Best Efforts".

In order to collect the contributor information required by law, a contributor response card is included with each solicitation requesting full name, address and employer & occupation and informing them of the requirements. When we receive incomplete information, a 2nd letter is sent requesting this same information- without soliciting funds-and a self-addressed, pre-paid postage envelope is included.

If you have further questions please feel free to contact me.

Sincerely,
Melanie Honea
Treasurer
